7895.0125 THOROUGHBRED REGISTRATION.

Subpart 1. Broodmare registration. To be eligible to receive any breeders' award payments, the following requirements must be met:

- A. Prior to foaling, a broodmare must be in Minnesota and registered or the registration renewed with the Racing Commission or official registering agency on or before March 15 of the year in which the broodmare will foal and must remain in Minnesota until foaling. The broodmare's original jockey club certificate must be received by the Racing Commission or official registering agency.
- B. In the event an unregistered broodmare should foal in Minnesota before March 15, the owner must submit a sworn affidavit to the Racing Commission or the official registering agency attesting that the foal was born in Minnesota. The affidavit will be considered evidence that the foal is a Minnesota-bred or Minnesota-foaled horse and the owner of the broodmare or his or her agent must register the broodmare in accordance with item A. The attending veterinarian, licensed by the state of Minnesota, must certify on information and belief that the information provided from the owner or agent is true and correct.
- C. Late fees for late broodmare registration will be imposed as follows:
 - (1) A late fee of \$50 will be imposed for broodmare registrations received March 16 to April 14 (excluding Saturday and Sunday) of the foaling year.
 - (2) A late fee of \$100 will be imposed for broodmare registrations received April 15 to June 13 (excluding Saturday and Sunday) of the foaling year.
- D. Failure to submit broodmare registration forms on or before June 13 of the foaling year (excluding Saturday and Sunday) will require a late fee of \$300 to qualify for any subsequent claims for breeders' award payments or for the foal to be registered as Minnesota-bred.
- E. The commission may, at its discretion, request written documentation from any persons seeking late registration that the broodmare was standing in Minnesota as of March 15 of the foaling year.
